

Dinner / Concert Presented by Guelph Bible

Conference Centre "Young at Heart" Week!

The Watchmen Quartet

For the past 49 years the Watchmen have been in continuous music ministry. They have many awards over the years from the Canadian Gospel Music Association but you will love them for their heart-felt interpretation of great songs with powerful messages in them. Celebrating their latest recording project "Still Faithful," the Watchmen have found God to be so faithful to meet every need they have faced. They are committed to being faithful to serve the Lord as long as God blesses them with life and health.
